

Program Specialist

Position Description: The Program Specialist is responsible for implementing and supervising the Scouting Program in an in-school setting. In conjunction with our partner organization, Program Specialists will work directly with our youth members to teach them life skills including physical fitness, environmental conservation, active citizenship, and STEM (science, technology, engineering, and math) awareness.

A passion for helping young people develop into responsible adults, and a high comfort-level for working directly with children are essential skills for this position.

Responsibilities Include:

- The effective operation and supervision of the Scouting program within selected public schools
- Willingness to learn weekly program content & deliver that content to our youth members
- Ability to commit to a weekly schedule of program from the months of September-May, with the opportunity to work part-time between four and twenty hours a week.
- Coordinating weekly program content with professional staff members
- Ability to work in a team-setting with between two and four other program specialists

Additional Qualifications:

- High School diploma, College Education a plus
- Must be 18+
- Youth-oriented, having the ability to work well with children
- Should be organized, self-motivated and a team player
- Must live locally & be able to arrange transportation to and from program locations
- Boy or Girl Scouting experience a plus
- Bilingual is a plus as we serve other Multicultural Communities.
- Available each week at least two days between 10:30am-1:30pm or 3:30pm – 6:30pm Monday through Friday

Location: Columbus, Ohio

Job Category: Program Delivery, Education & Training, and Management

Type: Part Time compensation is \$10-\$12 hourly based on experience, with up to 25 hours available per week

Area of Focus: Children and Youth, Community Building and Renewal, Community Service and Volunteering
