

# The Glenn A. and Melinda W. Adams National Eagle Scout Service Project of the Year Award

## Frequently Asked Questions

- **What is the Adams Award:** The Adams National Eagle Scout Service Project of the Year Award recognizes a valuable service of an exceptional nature by a Scout to a religious institution, a school, community, or other entity. The award recognizes the Scout for his Eagle Scout leadership service project, which is part of the requirements for earning the Eagle Scout Award. Each year, local councils select a council-level winner, and from that pool, each region selects a region-level winner. A national winner is then selected from the four regional finalists.
