

The Boy Scouts of America supports a monthly Roundtable all over America. Roundtables provide leaders with program ideas, information on policy, events and training opportunities. It is a forum for sharing experiences and enjoying fun and fellowship with other leaders. The Roundtable experience will Energize, Motivate and Enable Unit Leaders to provide a stronger program to their Scouts.

ROUNDTABLE IS...

A program forum for leaders to exchange ideas, solve problems and share successes.

A program to help you and your leaders be better leaders and mentors.

A program that leads to new discoveries and adventures for your Scouts to enjoy.

A program that helps you find resources, recognition and opportunities for networking.

A program that shares new, creative and innovative Ideas for your unit.

A program filled with information, fun, inspiration, demonstrations, displays, action, training, beneficial information, learning and enthusiasm.

A program that will help you and your unit achieve success in all that you do.

ROUNDTABLE IS...

a unique opportunity to help leaders and units be successful.

It will lift and strengthen so you can nurture new generations of Scouts to learn and to live the values of the Scout Oath and Law. Share the joy you'll find at Roundtable. Attendance at Roundtable is not just for you - it is for your Scouts.
