SCOUT REGISTRATION ASSISTANCE FORM INFORMATION

It's important to the Simon Kenton Council that no Scout ever be denied participation in the Scouting program due to his/her family's financial situation. Financial assistance is provided to youth whose family is not able to cover the full amount of the BSA's national registration fee (currently \$33/year).

Where a family can contribute to the cost of their Scout's participation it is requested that they do so. Assistance is otherwise provided on a sliding scale based on family size, income and/or hardship. The more detail provided on the assistance form, the better the ability for the council to address the family's need.

What does the council cover in registration assistance?

- All or a portion of the \$33 national BSA registration fee

What does the council NOT cover in registration assistance?

- Unit dues/fees
- Activity or camp fees (camp assistance can be provided through a separate request)
- Boys Life Magazine
- Uniforms

If registration assistance is approved, your Scout leader will be notified. We ask that your Scout consider writing a thank you note for the assistance provided so that Simon Kenton Council can send that note to a donor who helped make that assistance possible. If your Scout would like to write a note, please send it to the Simon Kenton Council office. Address it to: Generous Donor. Please do not include your Scout's last name.

If you have questions about the registration assistance process, please contact the Simon Kenton Council at 614.436.7200.
