Camp Falling Rock

2020 Webelos and Arrow of Light Resident Camp Program Guide

The 2020 camping season is finally upon us! In order to be aware of the amazing program being offered at Camp Falling Rock. Please use this guide to help you prepare for your adventure. Some highlights include a revamped Evening Program Schedule, the opportunity to shoot air rifles, and the return of outpost!

PROGRAM

This year we are introducing two new programs for our Webelos and Arrow of Light Program. For Webelos, the Bagheera Program is set up to introduce Scouts to the Webelos program and Camp Falling Rock. For Arrow of Lights, our BrownSea Island program introduces them to the Scouts BSA Program. During the week, Scouts will work on both Scout rank requirements and Arrow of Light electives, focusing in on the use of the patrol method.

ADULT LEADER PROGRAMS

Camp isn't just for the Scouts! During the week, we will offer adult leaders' opportunities for training and fun. These offerings will be discussed at the Adult Meeting on Monday.

Arrow Of Light

BrownSea Island Program

Arrow of Lights will enjoy a week at camp designed to introduce them to the Scouts BSA program. During the week, Arrow of Lights will be divided into patrols and work on both Scout rank requirements and Arrow of Light requirements. Their week will feature many fun activities including an Outpost, branding, patrol cooking, and much more!

The Week At A Glance

Monday

Scouts will arrive at camp and can participate in a selection of programs after they have checked in and set up. At noon, all Scouts need to arrive at the Dining Hall for lunch and the start of Program. After lunch, Scouts will work on several Scout rank requirements and be separated into their patrols. Monday night will end with our opening campfire.

Tuesday

To kick off the first day of camp, Scouts will work on fire building! During this session, fire safety, best practices, and more will be discussed and worked on. Scouts will also get a chance to try their hand at different methods of fire building. Scouts will then engage in patrol cooking and make their own lunch! In the afternoon, Scouts will begin working on the *Cast Away* elective. Tuesday evening will feature open swimming, ranges, and climbing tower. The evening will end with a movie on the hillside.

Wednesday

Today is all about rope! In the morning, Scouts will work on knot tying, whipping, and fusing. They will engage in patrol cooking and cook their own lunch! In the afternoon, Scouts will use the skills they learned in the morning to build the shelters they will be staying in during outpost. That evening, Scouts will cook their own dinner and enjoy a number of activities on Lower Camp. The day will end with Scouts participating in outpost in the shelters they have made.

Thursday

Scouts will make breakfast as a patrol and then go onto work on more Scout Rank Requirements. They will then cook lunch as a patrol and go on a hike where they will work on *Into the Woods* elective. Dinner will be held in the Dining Hall and will be followed by an evening rally and closing campfire.

Friday

The final day of camp for our AOL Scouts will include our Arrow of Light Olympics. Patrols will finish the week showing off all the skills they mastered during the week. The week at camp will end with lunch and a flag ceremony. Please plan to depart camp promptly after lunch.
