Ideas for Adventure Requirements

- Provide your Lion Scout with a reusable grocery-type bag to decorate with assistance. Decorations can be made from foam and glued on, drawn with markers, cut out of fabric and attached, etc. Cookie cutters provide easy patterns for drawing shapes on bags. Instruct your Lion Scout that this will be the receptacle for all their Scouting articles while not in use. Your Scout should hang his shirt on a hanger and put their *Lion Adventure Book* and belt inside the bag, hanging it on the same hanger.
- Create a list of tasks a Lion Scout does for themselves. Use the list to create a personal care checklist for the Lion. Your Lion Scout will document what they do in the *Lion Adventure Book* at the close of the activity session.
- Give your Lion Scout one shoe with laces for practice in tying the laces. Celebrate success and offer encouragement.
