# BLACKFOOT 44

## AN ENHANCED ADULT LEADER TRAINING

The mission of Blackfoot is to inspire and train adult scout leaders to help scouts to be the best they can.

This course uses the latest Scoutmaster Position-Specific Training & Introduction to Outdoor Leader Skills to provide fun, hands-on training. It is highly recommended for all adult leaders in a Troop and for Pack leaders preparing to cross over to Troops and Crews. Graduates will understand the patrol method of scouting and be able to coach scouts to complete all requirements through First Class.
