

Survey: Unit Needs and Expectations for District/Council Support

Send to Unit Key 3:

The Simon Kenton Council District Study Group is conducting a survey of Key 3 leaders (unit leaders, committee chairs and chartered organization representatives) to better understand units' expectations of district and council support. We'd greatly appreciate your input as a representative of your unit. Your feedback will be used to help develop quality programs and service in support of units across our council.

We ask that you please complete the survey by **Feb. 17**. you have questions, please reach out to me at c.sherman@outlook.com.

Please note, in addition to this Unit Needs and Expectations Survey, unit leaders and committee chairs will receive a second survey regarding unit activities and engagement. We understand that we are asking for a lot of input and can assure you that all of your feedback will be considered as we build stronger support for our Scouts and volunteers.
