Show & Sell

Unit Kernels order popcorn in advance (S&S orders due Friday, August 16th) to set up in a high traffic area. Scouts sell popcorn and hand it to customer at time of purchase.

Show & Deliver “Wagon Sales”

One of the most effective sales methods! In this case, a unit signs out popcorn to a Scout who takes it throughout their neighborhood, selling as he/she goes.

Product is brought along (in wagon or vehicle), making it a quick and easy process for the customer. So, it is like a mobile show & sell booth.

Units should order for this as part of their show & sell order or use product left over from your Show & Sell locations.

A large percentage of homeowners say that no Scout has ever come to their door, missing this great opportunity. If the desired product is not on hand, an order can be taken, and product delivered later.

Take Order

This method is where Scouts go door-to-door selling popcorn to friends, family, and neighbors, using an order sheet.

Parents can also help by taking the "take to work" order forms to work.

At the end of the sale, the Scouts deliver the ordered products to the customers who ordered them.

TIP: Use leftover inventory from your Show & Sell to fill these orders.
