Scouting America were the first ushers at the stadium and have been continuously serving since then!

Simon Kenton Council's football ushering civic service project is for Scout Troops and Venturing Crews **ONLY** (Cub Scouts are not permitted, even if accompanied by registered Scout leader).

This service project serves three purposes: (1) to be ambassadors for Scouting by providing service in a complete Field uniform (2) to represent Scouting and build public goodwill (3) to provide the youth for the opportunity for service hours.

For these above reasons, the following rules apply:

- ❖ Safeguarding Youth (formally youth protection): **Two deep Scouting America registered leadership** is required, one of whom must be at least 21 years of age or older, are required for all Units serving as ushers. All safeguarding youth guidelines must be followed for this service project. Leaders are responsible for supervising the youth in their unit and are required to be with their youth always.

- ❖ All Unit members must wear a **complete** official Scout uniform (Field Uniform). This includes an official Scouting America shirt, official Scouting America long pants or Scouting America shorts (if wearing shorts, official Scouting America socks). Ball caps are optional but should be Scouting America related. Venturers must wear the official green Venture Uniform shirt and grey pants. **No activity uniforms are acceptable. If the uniform is not complete Scouting America Field then the Scout or Scouter will not be admitted. It is the responsibility of the Unit Leader to provide transportation and supervision of those failing the uniform inspection.**

A pre- uniform inspection by the unit is recommended prior to leaving for the stadium. The unit leaders are responsible for their unit being fully Scouting America Field uniform complaint. Further the unit leaders are responsible for the well-being of those youths and adults who do **NOT** satisfy the Field uniform requirement who are not admitted to the stadium.

- ❖ Do not wear any high school, college, or professional logo items, especially Ohio State logo items, as you represent Scouting, not a particular school or team. This includes jackets, hats, sweatshirts, bags and sunglasses etc.
- ❖ Unit members serving as ushers must be currently registered with Scouting America. Part A and B are required for all Scouting events. Please have a copy or photocopy with you. **Ohio State does NOT provide seats for the ushers so "be prepared" to stand for long periods of time.**
- ❖ Only those Scouts and Scouters that are listed on the official usher roster provided by Ohio State for the game will be admitted. On game day, no roster substitutions nor walk-ins are permitted. Special restrictions apply to those games if **bolded** above and require prior service as an usher. Any changes to the game roster must be completed by Wednesday prior to the game.

- ❖ Units or Individual ushers must complete their online roster by Tuesday in Sign Up Genius before each game so the ushering roster can be e-mailed to Ohio State the following day. Ohio State must know the first and last name of each usher, so they have an attendance count.
- ❖ **Units must enter the stadium at Gate 6. This is a change from previous years,** (on the east side of the stadium) as a group and shall arrive at the gate **three (3) hours** before game time. We will all be admitted as one group at the direction of OSU personnel and then subject to a uniform inspection including complete Field Uniform compliance. Those Scouts not passing the uniform inspection will not be admitted and must leave the stadium. Once gate 6 is closed, no Scout ushers may enter, no exceptions per Ohio State policy.
- ❖ Parking is the responsibility of the unit. Neither Ohio State nor the Simon Kenton Council provides parking. However, parking is available at the Simon Kenton Council Office 807 Kinnear Rd Columbus, OH 43212 for a fee with the proceeds to the local chapter for the National Eagle Scout Association (NESA).
- ❖ Unit members will accept the ushering assignment that they are given and will remain in their assigned aisle until the completion of the pre-game flag raising and the playing of the National Anthem. The Simon Kenton Council ushering staff will make stadium portal assignments.
- ❖ Unit members will give service to all patrons in their assigned aisle, as directed by portal chief (they wear black hats) & the ushering staff at the Ohio stadium, helping them locate their proper seats, take pictures and other duties.
- ❖ Unit members may bring a sandwich, snacks and plastic water bottle, no glass or cans are allowed. Food items must be carried in a waist-pack, or slim stringed nylon bag. **NO BACK PACKS** are permitted. Plastic bags or shopping bags may not be used for this purpose. All items are subject to search by Ohio State security staff.
- ❖ **OSU Stadium is now a CASHLESS stadium; you will not be able to buy any concessions without a credit card. Please either pack a snack for your Scout or make other arrangements.**
- ❖ The Simon Kenton Council staff will be selling a limited number of custom patches for each year. These will be sold on a cash or Venmo basis only for \$5.00.
- ❖ **No cameras with attached lenses permitted. Umbrellas are not permitted inside the stadium. Ponchos or rain gear without logos, Scouting America rain gear or red, tan or forest green or clear color ponchos or raincoats are preferred. Ushering happens rain or shine.**
- ❖ Participants, while on duty, may **NOT** eat, drink (other than water) nor use electronic devices including cell phones, except for emergencies.
- ❖ During the game, unit members will stand in the area designated by the university's ushering staff and maybe be told to move by the ushering staff. It is recommended to stand in groups or no more than four (4). **Scouts and leaders should expect to stand all the time at this service project. No seats are provided by Ohio State.**
- ❖ **No shows:** If you register to usher and a conflict comes up where you cannot attend, you must notify Richard Orris ([Richard.Orris@gmail.com](mailto:Richard.Orris@gmail.com)) prior to Friday night before the game – otherwise the usher is considered a No Show. **No shows will not be allowed to usher for the remainder of the season.**
- ❖ Cold-weather dress: Since it is always relatively much colder in the stadium than when the Scout/Venturer/Leader leaves home, be sure to dress warmly in layers and always carry a raincoat or poncho. Winter stocking caps, gloves, thermal or insulated underwear, overshoes and heavy coat are recommended in cold weather. **No** Scouting America Field uniforms substitutions are permitted regardless of weather – a winter coat can be worn over the Field Uniform shirt. You **MUST** look like a Scout as you represent Scouting.
