Simon Kenton Council

Wood Badge Support Committee

Application to the Wood Badge Scholarship Fund

Dear Scouter,

The Wood Badge Scholarship Fund exists to support those Scouters who wish to attend Wood Badge training and have a financial need. Other generous Scouters make these funds available to the Committee in the hope that those assisted will continue their efforts to improve the Scouting program. The Committee has limited funds, so it asks all individuals to first consider other possible sources of support such as units, chartered organizations, or employers. If sufficient funds are not available to you, the Committee will review your application. Scholarships are limited to a maximum of $135 with three conditions:

- Scholarships are only available to courses currently open for registration
- You are a currently registered Scouter in good standing with current Youth Protection Training
- You contribute at least $135 to the course fee prior to receiving a Scholarship

The Committee will notify all awardees by email. Please do not call the Scout Office.

Please print or type

Name: _____

Address: _____

City/State/Zip: _____

Home Phone: _____

Email: _____

Current registered Scouting position: _____

Amount of financial commitment you can make to attend the course: $_____

Amount of financial assistance from other sources: $ _____

Please describe other sources of funds:

What financial circumstances create your need?

By signing this application, you affirm, on your honor, that both your desire to complete the Wood Badge training course and ticket, and your financial need, are genuine.
