

WOOD BADGE

What Is Wood Badge?

Wood Badge is the ultimate leadership training program for adult volunteers in the Boy Scouts of America, building on over a century of Scouting's finest traditions. It integrates cutting-edge leadership models widely adopted by top corporations, academic institutions, and leading public and private organizations.

This advanced program is tailored for all Scouters, from Cub Scout leaders, Scoutmasters and their assistants, to Venturing Crew Advisors, Sea Scout Skippers, and Committee Chairs and Members. District and Council-level Scouters will also find Wood Badge invaluable for enhancing their effectiveness.

Through Wood Badge, participants gain essential skills in areas such as active listening, effective communication, conflict resolution, strategic project planning, and leading organizational change. The program also fosters a deeper understanding and appreciation of inclusion and diversity. Ultimately, Wood Badge empowers Scouters to become more capable leaders within Scouting, more successful professionals, and more well-rounded individuals. The direct benefit is an improved and more impactful program delivery for the youth that Scouting serves, thanks to highly trained and effective leaders.

Location and Dates:

Camp Falling Rock

August 14th-16th, 2026 & September 19th-20th, 2025
