Membership renewal update

Starting January 1, 2027, your membership must be current to stay active.

NO GRACE PERIOD AFTER DECEMBER 31, 2026

Scouting America is simplifying membership renewal. The extra time after your renewal date is being phased out. **Plan now so your Scout does not miss a meeting or a campout.**

HOW THE EXTRA TIME PHASES OUT

If your renewal date is in
October 2026

You have until
December 31, 2026
Two-month grace

If your renewal date is in
November 2026

You have until
December 31, 2026
One-month grace

If your renewal date is in
Dec. 2026 and after

You have until
Your renewal date
No grace

Three steps to stay active

1. **Ask your unit leader:** who is renewing my family?
2. **Check your renewal date** at my.scouting.org.
3. **Renew early.** You can renew up to 60 days before your renewal date. Your new renewal date is the same whenever you renew in that window.
